I. PLAN PURPOSE

The purpose of this plan is to implement and maintain an Equal Employment Opportunity (EEO) Program to ensure that the Department of Agriculture does not discriminate in employment, based upon race, color, national origin, age, physical or mental disability, marital status, religion, creed, sex, sexual orientation, political beliefs, genetic information, veteran status, culture, social origin or condition, or ancestry. The Department adopts and strictly enforces ARM 2.21, Subchapter 40, EEO, Nondiscrimination, and Harassment Prevention Policy, and ARM 2.21, Subchapter 41, Reasonable Accommodations and Equal Access Policy. These policies serve as the basis for the Department's EEO program. All Department employees must read and understand their rights and responsibilities under the policies.

II. GOALS AND OBJECTIVES

The Department's goal is to make its workforce more closely reflect the labor force in Montana. The Department will make specific good faith efforts to identify the underutilization of women and minorities, and make the necessary changes to remove any existing barriers to their employment. The Department will also work to recruit and retain qualified minorities including Native American individuals and individuals with disabilities at all employment levels.

Underutilization may be caused by barriers to employment. Therefore, the Department's hiring officials will review their recruitment, selection, and promotion process as well as the on-the-job treatment of employees to ensure that women and minorities receive equal employment opportunity to secure employment and promotion.

III. UNDERUTILIZATION REVIEW

Appendix B contains a table that summarizes the Department's underutilization of women and minorities by EEO category and job groups within the category. This information comes from the Utilization Analysis Report that compares the Department's workforce to Montana's labor force by each job group. If the Department's workforce in a particular job group is less than the labor force, then the job group will be defined as underutilized.

The Department's hiring officials will strive to determine the cause of underutilization (employment barriers) and take appropriate action to remove those barriers. Employment barriers MAY BE caused by:

Recruitment Issues—The Department needs to attract qualified women and/or minority applicants in numbers proportionate to their external availability.

Selection Issues —The Department's selection rate for women and/or minorities needs to be similar to the selection rate for the other applicants.

Upward Mobility Issues—The Department needs to advance qualified women and minorities.

On-the-Job Treatment—The job conditions or the Department's performance evaluation of its employees should not have adverse impact on women and minorities.

IV. EEO PROGRAM PLAN

The Department has established the following EEO Program Plan. The Department's managers/hiring officials will strive to increase women and minority representation for underutilized positions by evaluating their recruitment and selection practices to ensure that women and minorities receive equal opportunity to secure employment. The Department will continue its efforts to recruit and retain qualified individuals with disabilities in all levels of our workforce.

A. Hiring

Prior to beginning the hiring process, the Human Resource Office will review the Utilization Analysis Report for the job category to determine if the position is attracting qualified women and/or minority applicants in numbers proportionate to their external availability.

If the position is underutilized, the hiring official will review the EEO Plan as it relates to their Recruitment/Selection Process. This requires a job profile review to make sure the position requirements are job-related and consistent with business necessity and the safe performance of the position. Any hiring requirement that does not meet these criteria will be removed to avoid screening out qualified applicants.

The Department will make reasonable accommodations in accordance with [ARM 2.21, Subchapter 41, Reasonable Accommodations and Equal Access Policy](#), to qualified employees and applicants with physical and mental limitations, unless such an accommodation would create an undue hardship on the Department's ability to conduct business.

B. Recruitment

The Department's recruitment goal is to increase women and minority representation in underutilized positions by attracting qualified candidates to apply for the underutilized positions. Applicant's qualifications will be reviewed to ensure qualified individuals are treated in a nondiscriminatory manner. Vacancy announcements for underutilized positions will include the statement:

Women (and/or) minorities are under-represented in this position and are encouraged to apply.

The Department will send vacancy announcements to Native American Recruitment sources, the Interagency Committee for Change by Women; and Disability Rehabilitation Centers across the State for all positions.

The department will post all external vacancy announcements on State of Montana Employment website: <http://mt.gov/statejobs/statejobs.asp>, and will notify department employees of these opportunities through the e-mail system.

The Department will continue to partner with the Montana Job Service Workforce Centers in its recruitment efforts. The Job Service Workforce Centers provide the following services for applicants:

1. Post job openings from the State's Employment website to America's Job Bank;
2. Conduct training on how to apply for a state job;
3. Provide application materials to the public;
4. Answer general questions about vacancies and application procedures;
5. Provide proficiency testing;
6. Forward completed applications to the hiring agency; and
7. Provide classes on how to use the computer to perform basic Internet job search activities, and complete applications on-line.

The Department will continue to work with recruitment sources (organizations having effective contact with women, minority groups and persons with disabilities) to improve recruitment efforts.

The Department will encourage the employment of women, minorities, and people with disabilities who are not currently in the workforce, by offering part-time employment, internships, or summer employment when possible.

C. Compensation

The Human Resources Office will continue to use the Employee Profile to determine the appropriate level of compensation and evaluating equality in compensation within the Department. This method looks at an individual's qualifications and not gender, race, ethnicity or disability of employees to determine pay.

D. Training Programs

Managers involved in the recruitment and selection process will be trained by a Human Resource Specialist to ensure they understand the EEO Program Plan, and are committed to its intent.

E. Harassment and Discrimination Prevention

The Department has adopted the State of Montana's EEO Policy (Appendix A) prohibiting harassment and discrimination based on protections provided under EEO laws. Any person who believes they or another person has been subjected to discrimination is encouraged to report the incident or action. The complaint resolution procedure is explained in Appendix C.

F. Internal Recruitment Opportunities

The Department will strive to ensure employees are given equal opportunity for positions by:

1. Posting opportunities through the State's e-mail system;
2. Assisting employees in identifying opportunities; and
3. Offering training, educational programs and job mentoring when possible.

The Utilization Analysis Report will be annually reviewed by the Human Resource Office in an effort to ensure that qualified women and minorities are provided opportunities at rates substantially similar to those of qualified men and non-minority employees. The Department will strive to employ and retain qualified individuals with disabilities in all levels of its workforce.

G. Termination

Exit interviews are conducted by **Human Resources staff or with the Division Administrator** to provide the exiting employee with the opportunity to:

1. Discuss the precise reason(s) for the termination;
2. Voice any concerns the employee may have been reticent to express while employed; and,
3. Provide positive and negative comments and suggestions related to their employment experience.

APPENDIX C
Department of Agriculture
NONDISCRIMINATION-EQUAL EMPLOYMENT OPPORTUNITY
COMPLAINT RESOLUTION PROCEDURE

The Department of Agriculture is an equal employment opportunity employer and prohibits discrimination based on race, color, national origin, age, physical or mental disability, marital status, religion, creed, sex, sexual orientation, political beliefs, culture, social origin or condition, or ancestry unless based on a bona fide occupational qualification (BFOQ). The State also prohibits discrimination in providing services, activities and programs unless providing a reasonable accommodation or reasonable modification would cause an undue hardship.

The Department of Agriculture is committed to resolving complaints of discrimination in a fair and timely manner. The complaint resolution procedure is a dispute resolution process used when an applicant, client, customer or employee alleges that discrimination has taken place. Management must investigate when reports are received. The Department will follow the complaint resolution procedures outlined under ARM [2.21.4019](#) through [4022](#). Complaints concerning disability discrimination are submitted to the agency Americans with Disabilities Act (ADA) Coordinator. All other complaints are submitted to the agency Equal Employment Opportunity (EEO) Officer. This complaint resolution procedure may not cover members of a collective bargaining unit unless it is stipulated in the bargaining agreement.

Filing Internal Complaint:

Any applicant, client, customer, or employee who believes he or she or another person has been subjected to a violation of the equal employment opportunity policy is encouraged to report the incident(s) or action(s) to management, their supervisor, or the Agency's EEO Officer, ADA Coordinator, or HR Staff as soon as possible after the alleged discrimination occurs. Early reporting is encouraged, because management's ability to investigate and act on reports diminishes with time.

Management Responsibility:

1. Any supervisor who receives a report of an alleged discrimination shall immediately notify the agency HR Officer, EEO Officer or ADA Coordinator.
2. Upon receipt of a report alleging discrimination, including sexual harassment, the agency shall take all appropriate steps to prevent the alleged conduct from continuing pending completion of the investigation. The agency will determine the steps to be taken by balancing the rights of the alleged victim, including the severity of the alleged conduct, and the rights of the alleged harasser.
3. The EEO Officer or ADA Coordinator shall initiate an investigation or select another appropriate management representative to initiate the investigation and anticipate the timelines after receiving notice of the alleged discrimination. The investigation shall include verification of the report, a recommended course of action, and written documentation of the investigation. The investigator shall submit the results of the investigation to department or agency personnel officer. The factual report shall remain confidential and may not be disseminated except to persons having a need or right to know which outweighs the privacy rights of the persons involved.

4. Within the indicated timelines of receiving the investigator's factual report, the agency will, in writing, inform the complainant, any employees directly involved, their immediate supervisors, and the EEO Officer or ADA Coordinator of the results of the investigation and the agency's decision.
5. If the investigation establishes that there is insufficient evidence to find that illegal discrimination occurred, the agency will inform all parties involved that no action will be taken. If the investigation establishes that discrimination occurred, the agency will take appropriate action, including, but not limited to, disciplinary measures pursuant to the agency's disciplinary policy, which may include termination. The agency will, in writing, inform the complainant only that an action was taken, not the details of the action.
6. Neither the agency management nor any employee will retaliate against any employee for filing a discrimination complaint or for participating in any way in a complaint procedure.

OTHER COMPLAINT FILING OPTION - An applicant, client, customer, or employee may concurrently file a complaint of unlawful discrimination with the Human Rights Bureau (PO Box 1728, Helena, MT 59624-1728, phone 1-800-542-0807.) The complaint must be filed either:

- a. within 180 days of the alleged incident; or
- b. if the employee initiates action to resolve the alleged discrimination in accordance with this procedure or contract grievance procedure, within 300 days of the alleged incident.
